

# FHS FALCON BAND

## FLORIDA "2011"

Every four years, the Band gets to take an out-of-state trip. This next year, June of 2011, the Falcon Band will be traveling to Disneyworld in Orlando, Florida. We will be performing in one of the many Disney venues. This is a huge trip that takes not only a lot of money, but also a lot of planning. We will be sending information regarding the trip through the Band webpage, [www.fhsband.net](http://www.fhsband.net) and through the FHS Band Booster meetings. There will be deadlines for money, fundraising activities, "Florida" meetings, and much more going on this next school year. It will be imperative that all parents please keep up with this information. This is a great opportunity for our kids in the FHS Falcon Band. As always, if you ever need additional information, please contact a Band Director.
