

Concession Stand Volunteer Guidelines

1. Be at the stadium at 6:15 to receive training. Make sure that you sign in with the volunteer coordinator. You will receive money for your band student with the time you put in.
2. Enter at the Student Gate of the stadium. We only work for home games.
3. There are three (3) concession stands: Student, Main, Visitor. The sign-up sheets designate which stand you have signed up for.
4. You will only serve Food and Drinks to patrons. You take the money from the customer and give it to a cashier for change.
5. You must work the concession stand game through the 3rd quarter of the football game. **You cannot leave the concession stand during half-time to watch the band.**
6. The first three games are a little warm, so dress in cool clothing. Also, don't wear nice clothes because of spills, etc.
